

KILLAMARSH PARISH NEWSLETTER

Edition 14 Summer 2018

SHE'S ONE OF OUR OWN!

Killamarsh born Millie Bright has progressed from her early playing days at Killamarsh Dynamos to representing Chelsea and England!

In May 2018, Millie, wearing Chelsea colours, lifted the Women's FA Cup as they beat Arsenal in front of a crowd of 45,423 at Wembley.

Millie's most recent appearance for England was on 8th June where England beat Russia 3-1 in a World Cup qualifier to move back to the top of the table.

Millie, who previously worked at Killamarsh Sports Centre, has always been interested in sport and is an inspiration to the young people of Killamarsh.

Millie will officially open the newly re-furbished upper gym, a state-of-the-art functional fitness suite, at Killamarsh Sports Centre, in July 2018.

Killamarsh Photo Competition

Our first Killamarsh Photo Competition 'Killamarsh in Winter' proved very popular. There were winners in two categories.

Open Section

- 1st - Kelly Hogan
- 2nd - Helen Sedgwick
- 3rd - Anna Dene

Under 12

- 1st - Charlie Burgon
- 2nd - Erin Bridges
- 3rd - Ellie Bridges

The Parish Council would like to extend thanks to Max Spielmann at Crystal Peaks Shopping Centre and to Picture Parade on Bridge Street for supporting this event and to everyone who entered photos in the competition.

Special thanks also go to Mick Greaves (Magical Memories) for judging and awarding the prizes on Sunday 22nd April during the Spotlight on Killamarsh open day. Mick's own exhibition will be displayed in the Centre in the near future.

Kelly's winning shot was a snowy scene on Field Lane and Charlie's winning photo was of eye-catching icicles.

Our next photo competition 'SUMMERTIME' is now open to Killamarsh residents. Copies of the full terms and conditions are available from the Community centre reception area and from the Facebook page 'Killamarsh Photo Competition'.

Back row: Anna Dene, Kelly Hogan, Mick Greaves, Helen Sedgwick
Front row: Ellie Bridges, Erin Bridges and Charlie Burgon

An introduction to Councillor Jayne Garret

Jayne left Wales and moved to Killamarsh with her husband Alan 41 years ago. She has two children, Victoria and Michael, and is

now semi-retired. For the past 18 months her role as Parish Councillor has enabled Jayne to contribute to the community she loves in a variety of ways.

Jayne and family have always felt welcomed and part of this wonderful community and have embraced village life through

playgroups, schools, Brownies, Cubs, Scouts, and Dynamos. They were vocal in the campaign against emissions from the SARP plant. (Some readers may remember that!)

Jayne's grandchildren now participate in activities at the Leisure Centre, the '*jewel in the crown*' which sets Killamarsh apart from other villages and towns in the area. It's a wonderful space, owned and run by the people of Killamarsh and Jayne works hard to ensure that it continues to develop, that it offers something for everyone and is a proud asset for Killamarsh residents.

There is a wide range of activities going on in the centre - do pop in and find out more. Staff at the Centre will be pleased to help.

Have you seen the new gym equipment? Did you know, for example, that you can use the Parish Suite *free of charge* when you use our catering services?

Contact Liz Hamer, the Catering Manager, on 0114 2485554 to discuss your individual requirements. Jayne highly recommends her pie and peas!!

If you have ideas or suggestions for events at the Centre do let Jayne or other Parish Councillors know, suggestions are always welcome!

Remember it's **your** Leisure Centre, run by your representatives, Jayne and other Councillors are really proud of that.

Jayne can be contacted on 0114 2484244

BIRCHLANDS PARK PROJECT

The Parish Council has been working with partners, such as residents, other Councils and community groups, to secure funding from Derbyshire County Council for an important project in Killamarsh. To be allocated funding the project has to include voluntary and community action and offer scope for future development. The Project Working Group, after wide research and consultation, recommended the development of a 'play and recreation environment created using natural and recycled materials'. This idea was met with much enthusiasm at the recent consultation event held at the Leisure Centre and will be known as the '*Birchlands Park Project*'.

There is significant evidence to support the health, wellbeing and community benefits of such a project, as well as providing value for money and sustainability. Most importantly, there is opportunity for whole community involvement.

Consultation feedback from residents,

'We live very close to Birchlands and it would be great to see such a fantastic outdoor space finally being used as it should'.

'This wonderful project is so needed to bring us all together, young and old.

Community projects are our way forward'.

Natural play structure (example)

KILLAMARSH LITTER AWARENESS PROJECT

The Parish Council has been working with local schools, volunteer and community groups and North East District Council to find ways to tackle the litter problem that is blighting our lovely village and surrounding areas.

The best efforts of the Parish Council, NEDCC and the County Council can only have a limited impact on the reduction of litter in our village. To make any significant difference we must all take responsibility to clean up our village and to ensure we, and our children, understand the harmful effects of litter on wellbeing, wildlife, the environment and on parish finances.

NEDCC recycling officers recently visited schools as part of the litter awareness programme, where they educate children in the importance of

recycling household rubbish. Primary schools have been actively engaged in this programme over the last year, supported by a grant from DCC.

Participating children were asked to spread the 'Keep Killamarsh Clean' message and their work will be on display in the Leisure Centre from 16th July 2018. Prizes will be awarded to individual children and to schools for most exciting and successful suggestions for encouraging people to bin their litter or, better still, take it home.

Let's work together to ensure our village is clean, tidy and free from rubbish!

Health & Fitness @ Killamarsh Sports Centre
