None.

4. Public Participation

A period of 15 minutes was set aside for public comments/questions. No members of the public requested to speak.

5. Minutes of the Sports Centre Committee Meeting held 22nd October 2020 Minutes from the open session were accepted as a true and correct record.

6. Public and Press Exclusion

Consideration was given to which items if any should be taken with the public and press excluded, in accordance with Public Bodies (Admission to Meetings) Act 1960 S1.

RESOLVED that item 13 be taken in closed session, in the absence of the public and press - Confidential minutes from meeting held 22nd October 2020 a large of the second and the Consequence of the American Second and the Second and Second and

7. Update on resolved decisions for meeting held 22<sup>nd</sup> October 2020. Item 8 – The three surveys totalling £5450 had been ordered by DH. This was necessary as without them Chris Mills stated that the Leisure Centre would be required to close.

Item 9(i) - DH to access bank statements. Approval for this has been sent to the bank but cannot be processed until a signatory councillor signs the form.

Item 9(ii) - Finance Reporting template from Eckington PC on inspection was much the same format as the previous report we used to presented with. DCK be asked to produce reports the same as this.

Item 12 – Chair has contacted the bank but the bank still has not processed a new credit card for DH. Chair stated that the new locum clerk will progress this when in post.

Item 13 – DH had issued order to Escafeld Mechanical Services Ltd to carry out servicing.

Item 17 – Skate Park repair. DH sought 5 quotes. Order issued for work to be completed at a cost of £960.00. There was a discussion at this point as some members recalled that the quote was for the record only and Skate Park was to remain closed until there was clarity on the position of NEDDC and the Sports Centre and also OPE report.

### 8. Sports Centre Finances

The finance report for month 7 (October 2020) was noted.

It was highlighted that as expected both income and expenditure were below that budgeted, with the precept subsidy (income v expenditure) amounting to £30,000.

Membership is stable. Jan- March are usually busy months for the Sports Centre and if Covid levels permit, there will be a big promotion on exercise classes after Christmas 2020.

The gas supplier has been changed to a more favourable tariff but the electricity still needs looking at.

The business rate windfall was showing and DCK are aware of the intention to spend this on the environment of the village.

RECOMMENDED; That the windfall is not allocated specifically to the Environment Committee but that it should be an agenda item at full parish to enable all councillors to contribute to a discussion on how/if/when it be allocated.

# 9. Updates from Centre Manager -DH

Ongoing Covid Crisis - Lockdown 2 is due to end on 3<sup>rd</sup> December but there is much uncertainty about what will then happen which makes planning virtually impossible. The centre remains Covid secure.

Current Operational Status – DH is doing his own job and also monitoring incoming emails. He is working with NEDDC and has created check lists for safety checks eg Legionella and fire safety.

Staffing - Centre Manager and the Handy Person are both working their normal hours.

Three Sports attendants are providing a total of 37 hours working in the centre and helping to lock/unlock for Killamarsh Bears. The rest of their hours are furloughed.

Christmas Hours – Two options were presented. One was to close the centre completely over the Christmas period whilst the other option was to mirror NEDDC and open between Christmas and New Year.

RESOLVED; That the centre closes completely over the Christmas period and that staff take annual leave for the non-statutory days off. This will be a much cleaner arrangement and will also solve the problem of staff wanting to book outstanding holiday entitlement.

Marketing – DH made a proposal regarding monthly payments. He would like To retain the £19 per month offer and temporarily permit payment by methods other than direct debit.

RESOLVED; That the £19 per month continues and that mandatory payment by direct debit for membership is waivered to enable payment by card, cheque or cash.

#### 10. Barriers and Bollards

Only one of the companies contacted (supplier to NEDDC) had responded to the RFQ document and subsequent chase up. As several companies had previously provided quotations, it was considered that due diligence had been demonstrated. Due to the fact that this has been in progress since June it was agreed that it be actioned as soon as possible.

RECOMMENDED; That CL Brookes be employed to install height restriction barrier and bollards at the entrance to the leisure centre car park.

#### 11. Pest Control around the Leisure Centre

A photo had appeared on Facebook showing a rat in the car park. The Committee recognised the great job the that Handyperson does keeping the car park litter free but as there are fewer people around during lockdown vermin is becoming more visible.

RESOLVED; The DH contact the contracted pest control company with a view to laying bait boxes.

### 12. Status Update on NEDDC Considerations

This was still active, ongoing and looking positive. Any offer that are made will come back to KPC for consideration.

RECOMMENDED; That all councillors be included in the negotiation discussion so that all views can be aired.

# 13. Confidential Minutes of 22<sup>nd</sup> October 2020

Moved to closed session.

14. Date and Time of Next Meeting

The budget will be considered at the next meeting Thursday 26th November noon.
